

Business Development Executive

Job Details

Location: Bengaluru (On-Site)

Compensation: Up to 8 LPA

About Zenant

Zenant is an AI-first real estate brokerage transforming India's rental market through transparency, accountability, and technology. The company simplifies the rental journey by helping tenants discover verified properties and enjoy a seamless, hassle-free experience.

Role Overview

Zenant is looking for a driven and customer-focused Business Development Executive to manage on-ground property viewings, engage with prospective tenants, and convert leads into successful bookings. This role is central to delivering an exceptional customer experience while representing the Zenant brand.

Key Responsibilities

- Conduct property visits and showcase rental properties to prospective tenants.
- Build strong customer relationships and address queries professionally.
- Manage assigned leads and follow up to drive conversions.
- Guide customers through the booking process and ensure a smooth experience.
- Update visit outcomes and customer interactions in internal systems.
- Coordinate with internal teams to ensure seamless move-ins.
- Represent Zenant's values of transparency, accountability, and customer service.

Requirements

- Strong communication and interpersonal skills.
- Customer-oriented mindset with a passion for sales.
- Ability to work independently and achieve targets.
- Freshers and candidates with up to 2 years of experience are welcome to apply.

What We Offer

- Competitive compensation with performance incentives.
- Fast-paced, growth-oriented work environment.
- Career advancement opportunities in sales and business development.
- Exposure to a technology-driven real estate ecosystem.
